Earworm

Vulfpeck

Du-du-du-du-du-du-du-du-du-du-du
Du-du-du-du-du-du-du-du-du-du-du

Not in your stomach, I'm not in the ground
Not in a limousine, Cruisin' around town
I'm not a bug,not quite a germ
I'm a humble catchy melody, I'm a earworm
And it go
Du-du-du-du-du-du-du-du-du-du-du
Du-du-du-du-du-du-du-du-du-du-du

I only know, a couple of tunes
Don't take requests, no Fly Me to the Moon
It's gotta be simple, got no time for rehearsal
How 'bout that jingle, from that jewelry commercial
Du-du-du-du-du-du-du-du-du-du-du
Du-du-du-du-du-du-du-du-du-du-du

Doc said it's comin', doc said it's fine
Doc reassure him, I'm totally benign
Cause when you search, if you're losing your mind
Just remember earworms, got to survive
And it go
Du-du-du-du-du-du-du-du-du-du-du
Du-du-du-du
Du-du-du-du-du-du-du-du-du-du-du

I'm not deep, got nothin' to prove
Just in here singin', that earworm blues
Move out to the country, and get away from it all
Find a new ear, and start singin' along
EVERYBODY
Du-du-du-du-du-du-du-du-du-du-du
Du-du-du-du-du-du-du-du-du-du-du
Du-du-du-du-du-du-du-du-du-du-du
Du-du-du-du-du-du-du-du-du-du-du
